Animal Life Cycle Demonstration

Animal Life Cycle Demonstration Checklist

	Did we tell, draw or act out each stage of the life cycle of our animal?	
	Are the stages of the life cycle of our animals in order?	
	Did we use our imagination in thinking of this presentation?	
	Will our teacher see that we understand the stages of the life cycle of our animal?	

Animal Life Cycle Demonstration Rubric

	Absolutely!	Good but could better...	Still needs a little work...	
Were all the stages of the life cycle explained?				
Were the stages explained in the correct order?				
Does the student have an understanding of an animal's life cycle?
